

Glossy 120 Cabinet

Szafka pod akwarium Aquarium Cabinet Aquariumschrank

UWAGA!

Powierzchnie akrylowe elementów szafki można czyścić (wycierać) po upływie minimum 48 godzin od zerwania folii ochronnej. Po tym czasie następuje pełne utwardzenie powłoki akrylowej.

WARNING!

After removal of the protective foil, the hardening process can start and it should take up to 48 hours. Acrylic surface of the cabinet can be cleaned no sooner than 48 hours from removal of the foil.
